

ASCrypto 2015 & Latincrypt 2015

August 22-26, 2015, Guadalajara, Mexico

Call for Participation

Important Dates

- **Early registration deadline:** Fri, July 31, 2015.
- **ASCrypto 2015 presentations:** August 22-23, 2015.
- **Latincrypt 2015 presentations:** August 24-26, 2015.

ASCrypto 2015

ASCrypto 2015, the Advanced School on Cryptology and Information Security in Latin America, will take place on August 22nd and 23rd, 2015, in cooperation with IACR, the International Association for Cryptologic Research. The program of ASCrypto 2015 will consist of four short four-hour courses that will be given by the following confirmed lecturers,

- **Diego Aranha**, University of Campinas, Brazil
Topics: “Software Vulnerabilities in the Brazilian Voting Machine” and “Software implementation of bilinear pairings”
- **Sandra Díaz Santiago**, ESCOM-IPN, Mexico
Topic: “A brief introduction to provable security”
- **Sorina Ionica**, University of Bordeaux, France
Topic: “Introduction to elliptic curve cryptography”
- **Mehdi Tibouchi**, NTT, Japan
Topic: “An introduction to cryptographic multilinear maps”

Latincrypt 2015

Latincrypt 2015 is the Fourth International Conference on Cryptology and Information Security in Latin America. Latincrypt 2015, the Fourth International Conference on Cryptology and

Information Security in Latin America, is organized by CINVESTAV-IPN, in cooperation with IACR, the International Association for Cryptologic Research.

Latincrypt 2015 will take place from August 23rd to August 26th, 2015, in Guadalajara, Mexico. The scientific program will be available soon. Meanwhile, you may check out the list of accepted papers at:

<http://latincrypt2015.cs.cinvestav.mx/listofpapers.html>

The conference will include the participation of the following invited speakers,

- **Yuriy Bulygin** (Chief Threat Researcher, Intel, USA)
- **Jung Hee Cheon** (Seoul National University, Korea)
- **Tal Rabin** (IBM Watson Research Center, USA)
- **Adi Shamir** (Weizmann Institute, Israel)

The conference will be held at the Hotel de Mendoza in Guadalajara - Jalisco, Mexico. Reservations must be made directly with the hotel. When contacting the hotel to obtain our special rates, do not forget to indicate that you will attend LatinCrypt 2015.
